

August 12, 2021

Dear Family and Friends,

Although we are rejoicing that the three of our Residents who had been hospitalized for Covid-19 are returning to the Home these days, two more of our Residents tested positive this week and are being isolated here along with another Resident who has been recovering here at home. These Residents have mild or no symptoms.

Please be assured that we are working diligently with our local health officials and following all CDC guidelines. At this moment we do not have a date when visitations will resume. We welcome window visits. If you prefer to use Facetime or Zoom to communicate with your loved one, please contact Oglanda Butler in Social Services or Maria Bertrand, our Life Enrichment Coordinator.

We are doing our best to provide appropriate diversions for the Residents during this challenging time of lockdown, including hallway Bingo, Wheel of Fortune at their windows, artwork in their rooms, and audio visuals played on their televisions during this month leading up to the feast day of St. Jeanne Jugan. Cards mailed from family and friends are always appreciated, too.

We will keep you posted and count on your prayers for an end to this outbreak and to the pandemic in all parts of the country and the world.

God bless you,

*Mother Mary Richard*
