

August 18, 2021

Dear Family and Friends,

We're very grateful that the results of yesterday's PCR testing were negative for all the Residents and Little Sisters, but, unfortunately, another staff member has tested positive. To give you an update on our Residents who have contracted Covid-19: one will finish her isolation period tomorrow, and another on Friday. Two Residents are hospitalized, and one is recovering in a rehab center. Four others continue to recover here at home.

We continue our month's activities in preparation for the feast of our Mother, St. Jeanne Jugan. Our activity department is creative in adapting them to our current lockdown circumstances. However, we foresee having to cancel our Eucharistic celebration of her feast with Archbishop Joseph Kurtz. We will invite him back at a later date when everyone can enjoy meeting him at a luncheon after Mass.

Many families are enjoying window visits. Again, if you prefer to use Facetime or Zoom to communicate with your loved one, please contact Oglanda Butler in Social Services or Maria Bertrand, our Life Enrichment Coordinator.

We continue to count on your prayers for an end to this outbreak everywhere. We hope you and your family remain safe and healthy.

In the words of St. Jeanne Jugan: "If God is with us, it will be accomplished!"

God bless you,

*Mother Mary Richard*
