

October 15, 2021

Dear Family and Friends,

Unfortunately, after several weeks of being Covid-free, we have learned that two of our staff members have tested positive. They will be staying away from the Home for the required days.

We are being advised by our local health officials and continually educating our devoted staff in order to carefully follow all CDC guidelines. At this moment we cannot allow visitors into the Home. We welcome outside window visits. Feel free to arrange these with the Little Sister or staff on the units. If you prefer to use Facetime or Zoom to communicate with your loved one, please contact Oglanda Butler in Social Services or Maria Bertrand, our Life Enrichment Coordinator, at (502) 636-2300.

We know that this is disappointing news for all of you, as it is for us. We will keep you posted and count on your prayers that the virus will not spread any further. We assure you of our prayers also for your well-being and that of your loved ones.

God bless you,

*Mother Mary Richard, lsp*
